What is SEO BUSINESS BOOST 2010?

SEO Business Boost 2010 is a 70 minute on-line course (video webinar) about real world SEO for local businesses. All you need to attend is an Internet connection and a computer or laptop with audio.

Delivered in plain English, SEO Business Boost 2010 is the concise guide to everything you need to know about SEO, and nothing that you don't need to know. Stop wasting your time and money being overloaded with irrelevant fashions and trying out endless tricks that don't work in the mid term. Use our easy action checklist to get results.

By applying these simple action steps, for 50 minutes per week, you will build a solid web presence that gets results, using mainly free resources, instead of paid advertising.

You will leave with all of the knowledge and tools you need to get better results from the Internet, covered by my 90 day, money back guarantee (detailed on the web site).
